"you", "the user" refers to the user of the Website.

GDPR means General Data Protection Act.

If you voluntarily sign up for my newsletter or blog, this site will record your email address. Giveaways and Contests:

If you enter a giveaway, your email is collected. If you win a physical prize, you will be asked to give your name and physical address.

Non-personal Information

This website may collect non-personal information about visitors when they interact with the site. This information may include the browser name, means of connection to the site, and other non-identifying information.

Cookies

This website may use “cookies” to enhance visitor experience. Typically, cookies may be placed on visitors' hard drive for record-keeping purposes and sometimes to track information about them. Visitors may choose to set their web browser to refuse cookies, or to send an alert when cookies are being sent. If they do so, note that some parts of the site may not function properly.

How Is the Information Used?

Newsletter and blog subscribers' names and emails will only be used for receiving the newsletters, the blog, or communication from me.

Giveaway entrants will be sent emails only about the giveaway, unless they also signed up for the newsletter or blog.

Information on which email links are clicked on the most will help me choose links that interest readers in future emails.

I may use affiliate codes in some of the emails or on the site.

Sharing of Personal Information

Subscriber information is never shared with a third party. The only exception is that email addresses may occasionally be used to create lookalike audiences for online marketing. This in no way distributes the emails or signs subscribers up to any other services.

Third-party links

Sometimes I will include third-party links through email or on the website. These sites have their own policies, and you should read those before subscribing or purchasing from them.

Security of Information

All information is saved by Wix.com and only I can access them. Should a data breach ever occur, subscribers will be notified within 7 days.

Use of the Website by Minors

All subscribers must be 18 years or older or have the consent of a parent or guardian.

Changes to This Privacy Policy

I may update this privacy policy at any time. A notice about such changes will be emailed. You acknowledge and agree that it is your responsibility to review this Privacy Policy periodically and become aware of modifications.
